Do You Need A Contractor/Designer?

www.yhremodeling.com

Do the rooms in your home look like a picture out of a design magazine? Then it's time to consider hiring an Interior Design firm to help you accomplish your dreams. "Your Home Remodeling and Design", has completed thousands of design projects since we opened.

Tom and Sandra Kaye, offer a large range of services, from full interior design, to providing color concepts, furniture, artwork, area rugs and supplying any home furnishing products needed to complete a client's project. As many of you know "Your Home Remodeling and Design", is one of the largest, low cost, sellers of custom window blinds and shutters in the valley. We have a huge fabric library to choose styles and colors, for custom draperies and upholstery.

"Your Home Remodeling and Design" understands the current design trend in residential interiors. The look of a more casual warm home, with touches of formality but, still family friendly is in keeping with today's lifestyles. Many of our new home customers want to completely furnish their homes upon move in. To create these interiors, we have a furniture library containing more than 200 manufacturer's catalogues, spanning all styles and price points. If we can't find the right pieces from our store library, we offer buying trips to the San Francisco Showplace Square Design Center.

We are also General Contractors and are a complete source for all construction products needed in any home remodeling project. We assist you in selection of paint colors, granite counter tops, tile for floors or walls, custom cabinetry, light fixtures, plumbing fixtures, windows, doors, hardware, all coordinated to match and look beautiful when we finish. We supervise the subcontractors for all trades, providing the scheduling, the quality control and materials needed to obtain your dream remodel.

We are "Certified Aging in Place", contractor/designers, that have studied and have knowledge of accessibility remodeling, for now or the future, so you can remain in your home comfortably for a lifetime. We also offer "Universal Home", new construction.

We are also "Certified Green Professional Builders", the only contractors who have obtained this certification. Remodelers who can help you select sustainable green products for your home, allowing for the use of energy and environmentally friendly materials. Tom Kaye can certify your home as being green with the NAHB.

The best part of using "Your Home Remodeling and Design" for your projects is that it is a one company source for the entire project, construction to complete home furnishings. Don't be like most people and feel you can't afford to use an interior design firm to assist with your home remodeling.
